Esperienza

Forevergreen

Event Producer

2021 - present (4 anni)

Genova

Forevergreen is an association social enterprise for music and performing arts.

We organize Electropark, a multidisciplinary festival of electronic music and performing arts based in Genoa since 2012.

Our activities belong to cultural and artistic fields, social innovation and intercultural challenges.

We design, produce and promote international known and emerging artists all over the world.

Eurocrash

Co-fondatore

2016 - 2020 (4 anni)

Europa

Eurocrash is an international network for music enthusiasts, a shapeless platform keen on music and art expression, a cultural bridge between creative insights. Is a constant attempt in producing, promoting and elevating ideas.

We produce, promote and elevate your sounds with a pinch of craze.

elita milano

Stage Curator • Event Producer • Dj

2008 - 2017 (9 anni)

Milano, Italia

Elita has created a unique form of creative music-related events in the Italian territory.

I've had the chance to participate to the growth of its establishment through a number of different site specific happenings, either brand tailored or culturally relevant.

I've got acknowledgement of electrotechnics, copyrights, booking and dj hosting along the way.

Les Garçons de la Rue / Tonsor Club

Stylist • Men Barbering

2008 - 2016 (8 anni)

Milano, Italia

I've been digging the fundamentals of haircutting, image consulting, beauty products and reselling for more than ten years.

This drove me to the most interesting part of this job: education and training, creation of techniques and style, research.
